1961 JAGUAR E TYPE

Built in September 1961 in highly desirable, early specification, Right Hand Drive, 3.8L Roadster was supplied by Guy Salmon of Thames Ditton, Surrey. Chassis 850148 was fully prepared in 2010 by marque specialists Valley Motorsport to full Pre 63 GT Specification. This car represents an ideal and highly competitive entry into one of the most exclusive historic racing series and is complete with current HTP papers.
