1972 PORSCHE 2.7 RS TOURING

1972 Porsche 2.7 RS Touring

Constructed in December 1972 and originally finished in Grand Prix White with Red Script, this example is one of the early and desirable first 500 series of Carrera RS's produced with lighter gauge bodywork. Originally supplied to Germany, this 2.7 RS has had just three owners from new and is offered in excellent, unmolested and original condition. Supplied with its original handbooks and EU registration
