1965 ASTON MARTIN DB5 CONVERTIBLE

One of only 123 DB5 Convertibles produced by the factory and supplied in late 1965 by H.R.Owen Ltd, finished in Sierra Blue coachwork. Comprehensive history and known ownership from new, chassis restoration completed by marque specialists in 2006 and offered in excellent, restored condition. An opportunity to acquire one of the most rare and desirable Aston Martin models that is ready for immediate use.
