1964 AC COBRA

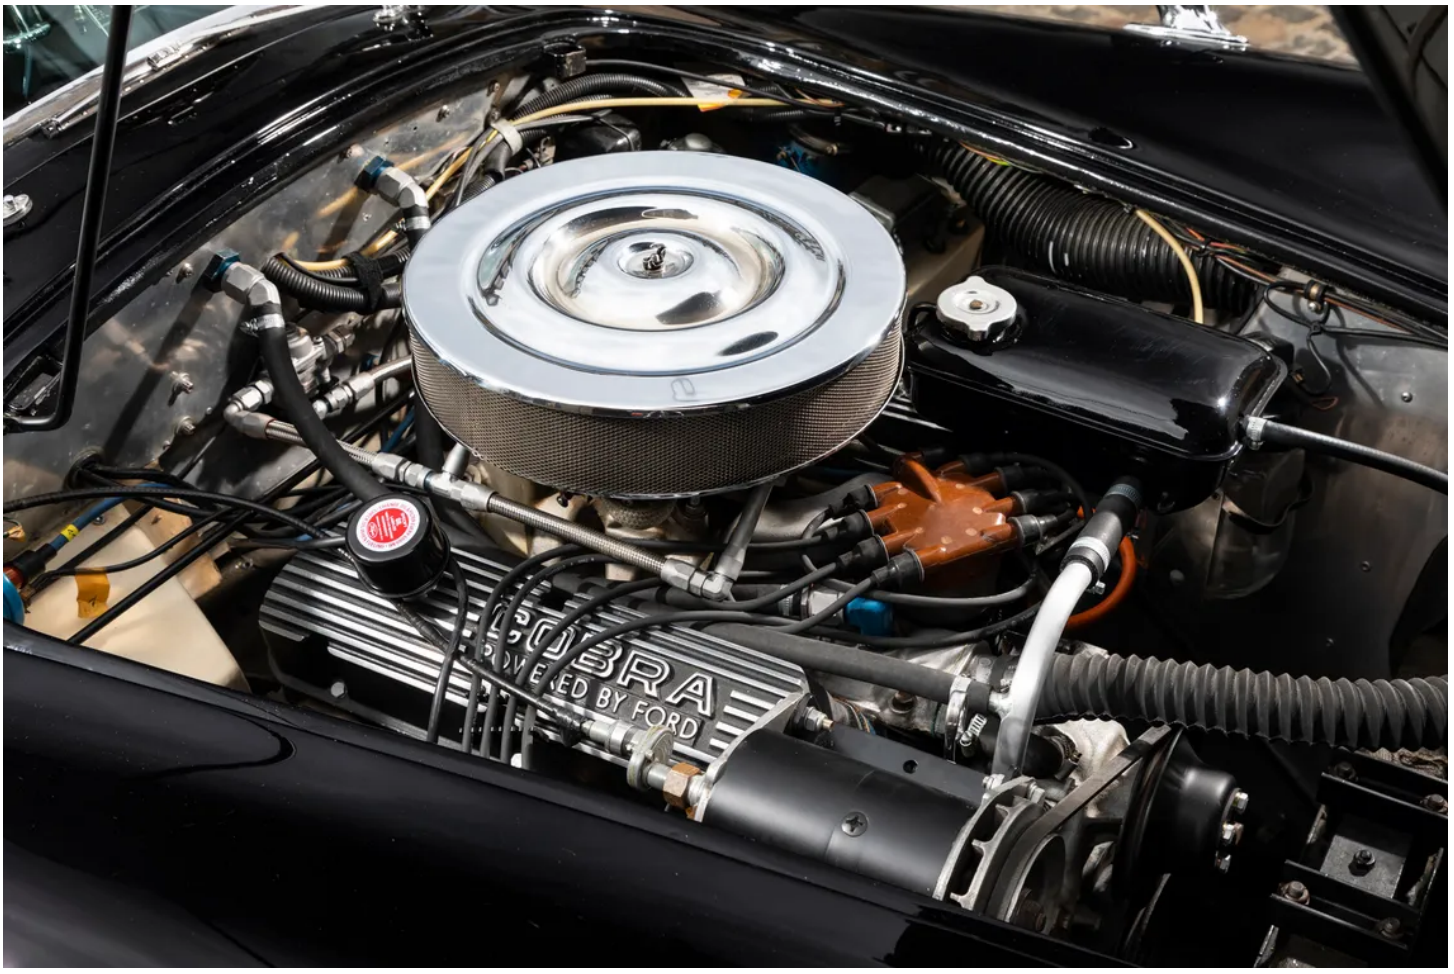

- Chassis COB6007 is one of only 42 Right Hand Drive Cobras constructed by AC Cars, Thames Ditton.
- Built in early 1964 and finished in Black/Black, COB6007 was delivered new to Mr Gavin Sorrell, London, on the 15th April.
- 1969 saw the Cobra pass through the hands of John Phillips to Paul Ostrer.
- COB 6007 was then purchased by renowned German collector, Hartmut Ibing in 1972.
- Purchased in 1975 by Horst Hermans, Germany, COB 6007 would remain in his ownership until 2018, some 43 years!
- Having recently been serviced by Historic Automobiles, UK, COB 6007 presents a rare opportunity to acquire a highly original & genuine Right Hand Drive AC Cobra.
