1955 MASERATI A6GCS/53

- Chassis #2077 was specially ordered with Carrozzeria Fiandri e Malagoli bodywork by gentleman racer Sirio Sbraci who drove it in four races, the last of which was the 1955 Mille Miglia where it placed 12th overall and 3rd in class
- Raced in Italy until 1965 when its student-owner travelled to the US and imported his beloved car
- Continuous history since new, shown on several occasions to high acclaim at Pebble Beach, most recently in 2018
- Uniquely unmolested, retaining original chassis, engine, body, vinyl seats and otherwise beautifully and sympathetically restored to 1955 Mille Miglia livery
