1955 JAGUAR D-TYPE

- The first of three production Jaguar D-Types delivered new to Brisbane, Australia in 1955
- Extensive and successful period competition history throughout Australia and nearly 50 years continuous ownership with Keith Berryman as documented in a dedicated Porter Press Book
- The only D-Type to ever be fitted with a hard top which remains in original condition and still accompanies the car
- After UK repatriation, marque specialists CKL Developments carried out a meticulous restoration in time for competition in the 2018 Goodwood Members' Meeting Salvadori Cup
- Prepared and eligible for all the very best historic motoring events, including the Mille Miglia, Monaco GP and Le Mans Classic
